**ALTSA: NH Rates #2020-004**

**RE: REVISED JULY 1, 2020 ADJUSTED MEDICAID PAYMENT RATE**

Dear Nursing Facility Administrator:

The Revised July 1, 2020 Medicaid payment rate for your facility is attached.

The Department calculated your facility's July 1, 2020 adjusted rate using your facility's Medicaid Average Case Mix Index (with defaults) from the 1 Semiannual 2020 Final Case Mix RUG Report (10/1/2019 through 3/31/2020) MDS 3.0 RUG IV Grouper 57.

For your July 1, 2020 rate, the Department used the most recently available four-quarter average CMS quality data, which for this rate setting is Quarters One through Four of 2019. Thus, your facility's quality measure component may have changed.

Additionally for July 1, the Median Lids have been updated from 2016 to 2018 and the Capital component has been calculated from 2019 reported costs. The Direct Care and Indirect Care components have been rebased using 2018 reported costs.

The inflation calculation is continued from the May 1, 2020 rate. The July 1, 2020 rate uses the 1.91% monthly index for all urban consumers, as published by the Bureau of Labor Statistics.

An important change to note: The \$29 add-on related to COVID-19 is now \$13 and has been included in your July 1, 2020 rate.

If you wish to request an administrative review conference in relation to your July 1, 2020 rate or any subsequent adjusted rate, please keep in mind WAC 388-96-904, the regulation that controls such requests. The regulation provides in part:

- (1)...The contractor's request for administrative review shall:
  - (a) Be signed by the contractor or by a partner, officer, or authorized employee of the contractor, within twenty-eight (28) calendar days after receiving the notice of the rate;
  - (b) State the particular issues raised; and
  - (c) Include all necessary supporting documentation or other information.
- (2) After receiving a request for administrative review conference that meets the criteria in subsection (1) of this section, the Department shall schedule an

administrative review conference. The conference may be conducted by telephone.

(3) At least fourteen calendar days prior to the scheduled date of the administrative review conference, the contractor must supply any additional or supporting documentation or information upon which the contractor intends to rely in presenting its case. In addition, the Department may request at any time prior to issuing a determination any documentation or information needed to decide the issues raised, and the contractor must comply with such a request within fourteen calendar days after it is received... The Department shall dismiss issues that cannot be decided or resolved due to a contractor's failure to provide requested documentation or information within the required period.  
(Emphasis added)

The Department will enforce this regulation in responding to requests for administrative review. Requests that are not properly signed, that do not state the issues with particularity, or that are not supported by the required documentation or information, will be denied or dismissed.
