CR-103E FILED TO EXTEND EMERGENCY RULES AMENDING NURSING HOME REQUIREMENTS AND CR-101 FILED TO CONSIDER PERMANENTLY AMENDING THE RULES FOR CLINICAL RECORDS

Dear Nursing Facility/Home Administrator:

Residential Care Services (RCS) filed an emergency rule (WSR 20-11-043) effective May 15, 2020, related to clinical records. The rule was amended in response to the significant threat of COVID-19. The rule expired on September 12, 2020.

On September 10, 2020, RCS filed a CR-103E ([WSR 20-19-040](#)) to extend the amended rule. The extension was effective September 12, 2020 and the rule expires on January 8, 2021.

The amendment of WAC 388-97-0300 lengthens the time nursing homes have to provide the resident access to, or copies of, the requested clinical record from two to ten days. The amendment does not permit the nursing facility to deny the resident access to records.

The adoption of the emergency rule helps to align the state rule with rules the Centers for Medicare and Medicaid Services (CMS) has waived or amended in response to the COVID-19 pandemic.

Additionally, RCS filed a CR-101 ([WSR 20-19-009](#)) on September 3, 2020 to begin permanent rule making on WAC 388-97-0300 and other related rules. The CR-101 document is available on Aging and Long Term Support Administration's (AL TSA) [Information for Nursing Home Professionals](#) web page, under "NH Rule Filings".

Thank you for your continued commitment to resident health and safety. If you have any questions, including how to participate in the rule-making process, please contact Lisa Herke, Nursing Home Policy Program Manager, at (509) 209-3088 or lisa.herke@dshs.wa.gov.

Sincerely,

Candace Goehring, Director
Residential Care Services
