## BACKGROUND

On October 31, 2014, the Court certified the Plaintiff Class as:

*“All persons who are now, or will be in the future, charged with a crime in the State of Washington and:*

- (a) who are ordered by a court to receive competency evaluation or restoration services through the Washington State Department of Social and Health Services (“DSHS”);*
- (b) who are waiting in jail for those services; and*
- (c) for whom DSHS receives the court order.”*

On April 2, 2015, the Court ordered the Department of Social and Health Services (DSHS) to file monthly reports with the *Trueblood* Court Monitor on efforts to comply with Court orders to provide timely competency evaluation and restoration services to Class Members:

*“Defendants shall file a report with the Monitor on the fifth day of every month, which shall include:*

- (1) the number of days between when a court ordered provision of competency services and when provision was completed, for each person ordered to receive competency services during the previous month;*
- (2) data regarding the number of evaluators, bed capacity, physicians, and other resources needed to provide timely competency services;*
- (3) the steps taken in the previous month to implement this order;*
- (4) when and what results are intended to be realized by each of these steps;*
- (5) the results realized in the previous month;*
- (6) the steps planned to be taken in the following month;*
- (7) certification by Defendants that they are fully compliant with all deadlines that became due in the previous month;*
- (8) Defendants’ estimate for when the wait times will reach seven days or less, and all data relied on in making that estimate; and*
- (9) any other information the Monitor informs Defendants is necessary for the Monitor to fully review Defendants’ actions and advise the Court.”*

The following report is submitted this 5<sup>th</sup> day of June, 2015. Through submission of this report to *Trueblood* Court Appointed Monitor, Dr. Danna Mauch, the Department of Social and Health Services certifies compliance with all deadlines due for the month of May 2015 in accordance with this court order.

## **Class Member Status Information**

The *Trueblood* Court Order requires monthly reports to provide class member data for the previous month; however, given the 7 day standard, it is not possible to report on the full class cohort by the 5<sup>th</sup> of the month. Therefore, in this report we have provided class member data for Competency Evaluation and Competency Restoration broken out in two periods—April 1, 2015-April 30, 2015 and May 1, 2015-May 24, 2015. The April data is what we would term “complete” and will be provided along with analysis. The May data is a partial data set. Given its incomplete nature, it is not useful for comparison or analysis; however it will be refreshed and fully reported in the July 5, 2015 report.

April 2015 will serve as the baseline month for data analysis. Beginning with the July 5, 2015 report, we will be able to provide trend analysis that compares the current complete reporting month to the previous complete reporting month. So, for instance, the July 2015 report will provide comparative analysis of May complete data to April complete data.

Analysis of the April evaluation and restoration data shows some instances with dates outside the expected range, even as outliers. Further exploration on the circumstances of these cases is in process and the findings will be included in the July 2015 report.

## **Analysis of Competency Evaluation Data: April 1, 2015 to April 30, 2015**

Location	Median Days from Signature of Order for Evaluation to:			Complete in 7 Days	Incomplete Evaluation--Wait Time	Number of Court Orders Signed	
	Hospital Receipt of Court Order	Hospital Receipt of Discovery	Completed Evaluation	Percent completed within 7 days of order signature	Median days from order signature to end of reporting period	Inpatient Competency Evaluation	Jail-based Competency Evaluation
<b>Western State Hospital (WSH)</b>	0.0	1.0	14.0	14.5	10.0	15	301
<b>Eastern State Hospital (ESH)</b>	1.0	5.0	63.0	2.2	30.0	9	38
<b>Statewide Totals</b>	1.0	1.0	15.0	12.3	21.0	24	339

- WSH received 87% of the Competency Evaluation orders signed in April 2015
- Competency Evaluations were completed within 7 days only 12.3% of the time statewide; significantly lower at ESH (2.2%)
- The median days for receipt of the Court Order and Discovery at ESH accounts for almost the entirety of the 7 days allowed to complete the evaluation.

WSH	19.5	FTEs

Current Competency Services Beds (does not include NGRI beds)

ESH	22
WSH	116

### **Additional Resources for Implementation of Senate Bill 5889**

Senate Bill 5889 was signed into law by Governor Jay Inslee on March 12, 2015 and established maximum time limits for the completion of competency services as follows:

- *Admission to state hospital for competency services (evaluation and restoration):* A performance target of 7 days or less, and a maximum time limit of 14 days to extend an offer of admission to a state hospital for a defendant to receive inpatient services related to competency;
- *In-jail competency evaluations:* A performance target of 7 days or less, and a maximum time limit of 14 days, plus an additional seven-day extension to complete the evaluation if necessary for clinical reasons at the determination of DSHS.

The maximum time limits were to be phased in over a one-year period beginning July 1, 2015, in a manner that yields measurable incremental progress toward meeting the time limits over the course of the year. The legislature has not yet enacted a 2015-2017 biennial budget. However, the budgets separately proposed by the House of Representatives and the Senate each include additional resources in support of this Legislation.

Subsequently, fiscal and program staff from DSHS and the Office of Financial Management worked together to model additional staff and bed capacity needed to move from the 14 day standard identified in Senate Bill 5889 to the 7 day standard for competency services required to comply with the *Trueblood* order. Legislative fiscal committee staff participated in this modeling.

This model is currently pending consideration of and funding by the Legislature. The 2015-17 enacted budget will determine the resources available to make changes to the competency evaluation and restoration system. Upon enactment of the budget, we will confirm and report to the monitor the number of beds and staff that are funded and the timelines associated with expenditure of the funding and associated competency evaluation and restoration services.

In the meantime, aggressive planning efforts are underway to expand facility capacity and staff resources as outlined below, which we believe will offer the best possible chance of meeting the 7 day standard by January 1, 2016 in accordance with the Court's order.

Based on this modeling, the following resource requirements have been identified as necessary to support Competency services in accordance with the *Trueblood* order:
