Disclaimer: The above contractor information, organized by county, provides the name for all contractors who have a current signed contract with DSHS/DDCS (formerly known as DDA), as indicated by the DSHS Agency Contracts Database on **6/16/2025**. Note that the presence of a contractor's name on the DSHS contracts database is not a guarantee that the contract is currently valid since the contract may have been terminated just prior to or after that date. You will need to confirm with the contractor and/or your case manager that the contract is valid at the time work is to commence. This list does not constitute or imply any endorsement of the contractors listed on this page. The choice of provider is the responsibility of the client or representative. As part of the mandatory prior approval process, you are required to verify the contractor's registration, bond, and insurance and infraction history prior to requesting a service.
