**PURPOSE**

This policy establishes procedures for promoting equal access to eligibility and services from the Developmental Disabilities Administration (DDA) of the Department of Social and Health Services (DSHS) and to the appeal process for DDA eligibility, service, and provider decisions.

**SCOPE**

This policy applies to DDA employees who:

1.        Provide information and/or services to individuals who are initial applicants for eligibility with DDA (referred to as applicants) or clients of DDA; and/or
2.        Make decisions regarding termination of client eligibility; approval, denial, reduction, or termination of client services; or denial of client's provider of choice.

**DEFINITIONS**

**Administration** means the Developmental Disabilities Administration (DDA).

**Department** means the Department of Social and Health Services (DSHS).

**POLICY**

- A.        DDA will promote policies, procedures, and practices that foster equal access to services for applicants and clients.

- ii. Confirm the mailing address and phone and verify the CARE record has this current information documented in Collateral Contacts; and
    - iii. Document this contact in the CARE SER.
  - c. When the eligible person has no NSA representative for any of the following reasons, consult with the Assistant Attorneys General (AAG):
    - i. There is no one available to act as the NSA representative; or
    - ii. The client objects to the person who is identified and has not chosen someone else; or
    - iii. The client objects to the appointment of anyone to act as their NSA representative.
  - d. Do not initiate an eligibility review, assessment/re-assessment of services, reduce or terminate an existing service, deny or terminate a provider until an NSA representative is identified, or the AAG agrees that the person is competent and no NSA representative is required. Enter the reason for delay in the SER.
    - i. Continue current services until the NSA issue is resolved.
    - ii. If immediate emergency services are authorized, no action can be taken to reduce or terminate those services until an NSA representative is identified.

  - b. For clients without an NSA representative and determined by the AAG as not requiring one, the NSA accommodations must be evaluated and addressed in the service plan or SER. Examples of accommodations include needing:
    - i. Someone to read and/or explain information;

  3. When DDA sends a PAN to any person residing in a state hospital, the Case Resource Manager (CRM) will notify the DDA Mental Health CRM. The DDA Mental Health CRM will do all of the following:
    - a. Notify the appropriate Eastern State Hospital (ESH)/Western State Hospital (WSH) social worker in person, by telephone, or email that the PAN is being mailed;
    - b. Coordinate with the appropriate ESH/WSH social worker and hospital unit program manager to ensure that the person's treatment team is aware that the PAN is being sent;
    - c. Be available as necessary to assist in the support of the person receiving this important information; and
