| Program Type	Description	Avg. Monthly Caseload
Children's Medicaid	Children of low-income families (or non-needy relatives) under one year of age. Family income cannot exceed 200% of the Federal Poverty Level (FPL).	180,275
TANF-Related Medicaid	Families eligible for TANF who choose not to receive any cash benefits. Native Americans on Tribal TANF receive TANF-related medical authorized by CSD field staff.	30,870
Pregnancy Medicaid	Low-income pregnant women. Categorically Needy (CN) income limit is 185% of the FPL.	30,001
Post Pregnancy Family Planning Extension	Up to 10 months of automatic family planning coverage when the pregnancy ends.	26,432
Newborn Medicaid	Automatic coverage for infants up to one year of age born to women who received Medicaid at the time of birth.	26,183
Post-TANF Transitional Medicaid	Families automatically eligible for coverage when they leave TANF or TANF-related Medicaid due to increased earnings or child support collections.	26,092
Alien Emergency Medicaid	Federally funded program for immigrants who would qualify for full-scope Medicaid except for their alien status. Coverage is limited to emergency medical condition (pregnancy is considered an emergency medical condition).	584
SSI Medicaid	Aged, blind and disabled persons who receive Supplemental Security Income (SSI). The Social Security Administration determines eligibility for SSI using income rules based on Title XVI of the Social Security Act.	64,181
SSI-Related Medicaid	Low-income aged, blind, or disabled persons who do not receive SSI cash benefits.	21,634
Medicare Savings Program	Programs pay Medicare premiums, coinsurance, and deductibles for low-income Medicare beneficiaries. Income limits vary depending on program from 100% of FPL to 200% of FPL.	75,499

Healthcare for Workers with Disabilities	Disabled persons who are working and who do not receive SSI. Premium amounts are based on income. Income cannot exceed 220% of the FPL.	1,143
Refugee Medical Assistance	Refugees who do not qualify for cash assistance. Eligibility ends after the first eight months of residency in the U.S.	191
Long Term Care	Medical assistance to our most vulnerable populations, such as developmentally disabled individuals, adults and children inpatient psychiatric care, families in need of nursing home assistance, and hospice.	10,486

Note: Numbers include Regions 1 – 6 only. No WASHCAP numbers are included.

Number of Medical Clients by Residential County in Washington State: January 2008

County	Clients
