25-7-6.2. Support obligation schedule. The child support obligation shall be established in accordance with the following schedule subject to such revisions or deviations as may be permitted pursuant to §§ 25-7-6.1 to 25-7-6.18, inclusive. Except as provided in this chapter, the combined monthly net incomes of both parents shall be used in determining the obligation and divided proportionately between the parents based upon their respective net incomes. The noncustodial parent's proportionate share establishes the amount of the child support order.

If the obligation using only the noncustodial parent's monthly net income is an obligation within the emboldened areas of the schedule, that amount shall be compared to the noncustodial parent's proportionate share using both parents' monthly net incomes. The lesser amount establishes the noncustodial parent's child support order.
