Texas	X			Texas Family Code, Chapter 154, Subchapter C (§§ 154.121 through 154.133)	If obligor's monthly net resources are ≤ \$7500.00, the court presumptively applies the following schedule: 1 child – 20%; 2 children – 25%; 3 children – 30%; 4 children – 35%; 5 children – 40%; 6+ children – not less than the amt for 5 children. If the obligor's monthly net resources are > \$7500.00, the % formula is applied to the first \$7500.00 and the court may order further amounts as appropriate. The % formula is not used to calculate the additional amounts. In calculating the additional amount, the new amount may not exceed the greater of the presumptive amount or the amount equal to 100% of the proven needs of the child.
