Summary : The tribal income subsection was updated with desk aids and clarifying information regarding correct coding of income.

CLARIFYING INFORMATION

[Indian Income, Judgment Funds, Trust Funds, and Lands held in Trust Excluded Under Federal Law](#)

[Tribal Income and Contact Information](#)

For TANF/SFA, RCA, ABD cash, medical, and Basic Food, if Indian payments or benefits are not specifically excluded under WAC 388-450-0040 or any federal law, the payments are counted as unearned income to the AU.

NOTE: Only use the ACES code “PC” for excluded per capita income. All countable tribal income must be coded as “OC”.
