Summary

Updated clarifying information for CSD staff when contacted by people who want substance use treatment services after DBHR was split into HCA for services and DOH for licensing and certification. See below for edited text:

Access to ~~Chemical Dependency~~ Substance Use Treatment

Purpose:

To provide information to CSD staff when contacted by people who want ~~chemical dependency~~ substance use treatment services.

Clarifying Information

1. ~~The Division of Behavioral Health and Recovery (DBHR)~~ Health Care Authority (HCA) ~~contracts with the counties to provide outpatient chemical dependency treatment services to low-income clients who are not eligible for any public assistance program or only eligible for food assistance~~ provides funding and oversight for substance use treatment services for people

enrolled in Apple Health (Medicaid). The HCA provides behavioral health and recovery services including alcohol use treatment, medication assisted treatment, and opioid use treatment.

- ~~2.~~ Information about agencies contracted to provide ~~chemical dependency~~substance use treatment services can be obtained by calling the Alcohol/Drug Helpline at 1-800-562-1240 Washington Recovery Help Line at 1-866-789-1511.
- ~~3.~~ ~~Every county has a designated Alcohol and Drug Coordinator who works with DBHR and coordinates all services related to chemical dependency treatment and prevention activities.~~
