

## Strategies for Success Referrals for participants in JS

WorkFirst staff update the IRP to include Strategies for Success life skills modules for WorkFirst participants in Job Search activities using the steps below.

**Scenario:** The Case Manager receives a call or e-message from the Career Scope Coach, stating the WorkFirst participant wants to attend Strategies for Success workshops. The Case Manager will enter the SW indicator code in eJAS as follows:

### Component/Contractor/IRP Update screen

Save    Add a Component

Date participant is flipped into JS by ESD staff.		12 week JS completion date.
Add a Contractor		
<b>Component</b> JS JOB SEARCH	<b>Start Date</b> 06/03/2024	<b>Hours</b> 23
DSHS Responsible Dates		<b>Scheduled End</b> 08/26/2024
<b>Component</b> SW STRATEGIES FOR SUCCESS (WORKFI	<b>Start Date</b> 06/10/2024	<b>Hours</b> 00
ESD JS staff asks DSHS staff to enter SW component indicator.	First day of workshop (entered by DSHS staff).	00 hours entered by DSHS staff.
Note: For FinCap component indicator is FC with 00 hours (entered by DSHS staff).		<b>Scheduled End</b> 08/02/2024
		Last day of workshop (entered by DSHS staff).

**NOTE:** There are no additional changes to the IRP nor to the JS component code. For participants in Job Search activities, Strategies for Success participation will be tracked through their existing Job Search component code by the Career Scope Coach.
