Introducing Our New Video Tutorial

BCCU may ask for more information before completing a background check which may include an Applicant Affidavit Form. This can happen when BCCU cannot accurately determine a result from the criminal history information that is provided to us. Have questions about this process? Do applicants need assistance? View our [YouTube tutorial](#) below on completing an Additional Information request. This video contains chapters on:

NEW: Sign and Send the BCS Access Request Form Electronically

To streamline and make the process for changing Primary Account Administrators (PAAs) more efficient, we now have a web option for the BCS Access Request Form. By improving the process for capturing new PAA information, BCCU can provide faster turnaround time and greater flexibility for our users in making these changes.

The electronic version is now available on the Forms page of our website.
