

STATE OF WASHINGTON
Department of Social & Health Services
SOLE SOURCE POSTING

The Department of Social & Health Services (DSHS) contemplates awarding a sole source contract to Day Management to provide upgradi the existing 2-way radio network at Maple Lane to facilitate the purchase of 175 Mototrbo Capacity Plus radios and ancillary equipment needed by DSHS Behavioral Health Treatment Facility (BHTC) to run and operate in support of living units (Cascad.

Day Wireless is uniquely qualified, as they built, implemented and supported the entire existing radio system currently in place at Maple Lane. The system is proprietary. This is an enterprise system because of the linking of systems.

The contract will be issued on or about January 8th, 2025 for 12 months. The dollar value is estimated at \$504375.22.

Vendors contemplating the above requirements are required to submit capability statements detailing their ability to meet the state's requirements by December 30, 2024. The following information should be included in the capability statements:

Motorola Capacity Plus System

- Five MOTOTRBO SLR 5700 Repeaters
- Five Capacity Plus New System Deployments
- Associated Infrastructure and Hardware
- System Installation

Subscribers and Programming

- 175 MOTOTRBO R7 UHF Subscribers (Includes Battery, Belt Clip, Antenna and Charger)
- Code Plug Build
- Subscriber Programming

5 Year preferred maintenance plan with remote monitoring.

In the absence of other qualified sources, it is the state's intent to make a sole source award of the contract.
