

Community Instructor Qualification Tool

This tool was designed to help potential community instructors navigate the requirements as outlined in the Washington Administrative Code (WAC). The tool is meant as a guide only. The final decision as to instructor qualifications will be made by the program manager assigned to your application.

Answer each question with "Yes" or "No" using the dropdown menu. Be sure to hit "Enter" after each entry. Courses you may be qualified to teach will be shown under "Result".
