This includes discussing considerations for customer health and safety that may be inconsistent with certain kinds of work, and any factors that may require additional caution due to COVID-19. CRP is responsible for evaluating and ensuring the customer can follow the health and safety protocols of the job site, including any protocols for minimizing the spread of COVID-19. CRP is also responsible to support the customer in understanding the health and safety risks that may be associated with the specific employment setting.			
follow the health and safety protocols of the job protocols for minimizing the spread of COVID-1 responsible to support the customer in understa safety risks that may be associated with the spe				
Customers are encouraged to speak with both CRP and DVR counselor as well as their employer if they have any concerns about the health and safety risks of a job site. If the customer feels unsafe the job or while receiving services, they may let their CRP or their D' counselor know what is making them feel unsafe. It is the employer's responsibility under Washington state law to provide a safe workplace		Customer
