

No Paid Services Group

RE: No Paid Services Assignment

This letter is to let you know that because you are not currently receiving a DDA paid service you have been assigned to a No Paid Services group with the Developmental Disabilities Administration (DDA). If you are approved to receive a DDA paid service in the future your case will be assigned to a case manager. For information about community resources please refer to the enclosed information or call 211.

Please call DDA at _____ if you'd like to request a paid service. You may also request services online by going to <https://www.dshs.wa.gov/dda/service-and-information-request>.

Thank you.
