Boostada iimaylka waa qayb muhiim ah oo nolosha gaarka ah iyo mida xirfadeed ee maalin kasta. Cinwaanka iimaylka ansaxa ah waxa uu muhiim u yahay helida adeegyada onlaynka ah, sida ganacsiga, wax iibsiga iyo taageerooyinka lacag la bixiyo. Sida waafaqsan Statista, in ka badan boqolkiiba 90 Maraykan ah ayaa isticmaalayay iimaylka gudaha Noofambar 2019. Tani waa weli aag kale kaas oo shakhsiyaadka la kulma kala duwaanshaha horumarka caadi ahaan loogaga tago xaga dambe.

Waxaanu u jeednaa in qof kasta oo wayn oo hela adeegyada lacagta la bixiyo ee DDA inay helaan cinwaankooda iimaylka wada xidhiidhka ee DDA iyo bulshooyinkooda.

Marka lagu daro dedaalada ka yimid shaqaalaha goobta, waxaanu codsanaa caawimadaada taageerida saaxiibadaa, qoyska, iyo kuwa la jecel yahay inay helaan qaabka loogala qayb qaato koronto ahaan bulshooyinkooda.
