## Policy

### A. Holidays

1. The days indicated under [WAC 357-31-005](#) are designated as holidays.
2. Employees qualify for holiday compensation as provided in [WAC 357-31-010](#).
3. Employees may receive holiday premium pay as provided under [WAC 357-28-200](#).
4. The provisions that apply to holidays for employees include [WAC 357-31-005](#) through [WAC 357-31-053](#).

### B. Personal holiday

1. Employees are allowed to take a personal holiday as provided in [WAC 357-31-055](#).
2. The other provisions that apply to personal holidays are found in [WAC 357-31-060](#) through [WAC 357-31-095](#).

### C. Requesting leave

1. Employees are expected to submit leave requests for both planned and unplanned leave.
2. Requests for planned leave must be submitted in advance using the program's approved leave submittal process and consistent with the program's leave notice requirements.

3. When advance notice cannot be given because of an emergency or unforeseen circumstances such as family care emergencies, domestic violence, sexual assault, or stalking, or an extraordinary or severe illness or injury, the employee or the employee's designee must give notice to DSHS no later than the end of the first day that the employee takes such leave.
4. If an employee takes unplanned leave, the employee must submit a leave request immediately upon return to work. Failure to submit a leave request may result in unauthorized leave without pay, which may result in disciplinary action.
5. Employees must submit leave requests using one-tenth (1/10) of an hour increments.
6. Proof of a family emergency may be required to verify the need for the leave or that advanced notice was not possible. [WAC 357-31-305](#).

**D. Appointing authority or designee, including supervisor approval or denial of leave, and responsibilities**

1. If the employee does not have sufficient leave to cover the absence, the appointing authority or designee, including their supervisor, must deny the leave request.
2. Employees are not entitled to use sick leave before it accrues. [WAC 357-31-140](#).
3. Employees are not entitled to use vacation leave before it accrues. [WAC 357-31-195](#).
4. When reviewing a request for vacation leave, consider the preferences of the employee, but also take into consideration the organization's business needs. [WAC 357-31-205](#).
5. An appointing authority or designee, including a supervisor, may grant an employee's request to use vacation leave for religious observances. The organization's business needs may be considered.
6. An appointing authority or designee, including the supervisor, may deny the use of compensatory time or vacation leave for sick leave purposes if the employee has documented attendance problems.
7. If an employee is absent at the end of the pay cycle, the appointing authority or designee, including supervisor, must submit a leave request on behalf of the employee for time and attendance processing.

8. If an employee's request for parental leave time off exceeds the provisions of [WAC 357-31-525](#), the appointing authority or designee, including the supervisor, must respond in writing to the employee's request within 10 working days of the receipt of the request. If the leave is denied, the appointing authority or designee, including the supervisor must provide a rationale for supporting the operational necessity. [WAC 357-31-485](#).

#### E. Unauthorized leave

Under [WAC 357-31-105](#), an unauthorized absence will be treated as unauthorized leave without pay and may be grounds for separation ([WAC 357-46-210](#)), or discipline (See DSHS administrative policy [18.40](#) discipline and [chapter 357-40 WAC](#).)

#### F. Sick and vacation leave accrual

1. See [WAC 357-31-115](#) through [WAC 357-31-125](#); and [WAC 357-31-165](#) through [WAC 357-31-180](#), which provide how sick and vacation leave are earned, accrued, and prorated.
2. Leave without pay does not affect the rate at which employees accrue vacation leave. [WAC 357-31-180](#).
3. An employee may accumulate a maximum of 280 hours of vacation leave under [WAC 357-31-200](#). There are two exceptions in which vacation leave may be accumulated above the 280 hours maximum under [WAC 357-31-215](#).
  - a. If DSHS denies an employee's request for vacation leave, and the employee is close to the maximum vacation leave (280 hours), DSHS must grant an extension for each month that DSHS defers the employee's request for vacation leave. DSHS must justify the extension with a statement of necessity using the [DSHS 03-519 request to extend annual leave balance over 280 hours maximum](#). The [DSHS 03-519](#) must be approved by the HRD senior director or designee. A statement of necessity can only defer leave that the employee has not accrued as of the date of the statement of necessity using the [DSHS 03-519](#). Any accrued leave more than 280 hours as of the date of the statement of necessity cannot be deferred regardless of circumstances
  - b. Employees may accumulate vacation leave more than the maximum vacation leave (more than 280 hours) as follows:
    - i. An employee may accumulate the vacation leave between the time 280 hours is accrued and their next anniversary date.
    - ii. Leave accumulated above the maximum 280 hours must be used by the next anniversary date or is automatically lost and considered never to have existed.

## G. When paid leave, compensatory time, or leave without pay must be approved

1. Unless otherwise stated accrued paid leave time **must** be approved:
  - a. If the employee has a spouse or registered domestic partner who:
    - i. Is a member of the Armed Forces of the United States that has been called to active duty; or
    - ii. The military spouse or registered domestic partner is on leave from deployment; and
    - iii. The conditions of [WAC 357-31-373](#) apply.
  - b. If an employee has been ordered to required military duty, training, drills, or required to appear for a physical exam under [WAC 357-31-360](#). In addition to paid military leave, an employee must be granted a leave of absence without pay under the conditions in [WAC 357-31-370](#).
  - c. If an employee is unable to report to work due to a family care emergency under [WAC 357-31-285\(1\)](#). A family care emergency is defined under [WAC 357-31-290](#)
  - d. For the miscellaneous reasons stated in [WAC 357-31-325](#).
  - e. For an employee to take a temporary leave of absence when an employee has been elected or appointed to a legislative office under [WAC 357-31-374](#).
    - i. The employee must provide the appointing authority or their designee, including their supervisor, at least 30 days prior notice for a regular session or as soon as a session is called for a special session.
    - ii. The employee may use unpaid or accrued paid leave.
  - f. If the conditions stated in [WAC 357-31-200](#), (to care for themselves, a spouse, or child with a serious medical condition; they or a family member are a victim of domestic violence, etc.) are met, **vacation leave** must be approved.
  - g. If the conditions stated in [WAC 357-31-230](#) (to care for themselves, a spouse, or child with a serious medical condition; they or a family member are a victim of domestic violence, etc.) are met, **compensatory time** must be approved.
  - h. If the conditions stated in [WAC 357-31-327](#) (volunteer firefighter called to assist with a natural disaster, paid family medical leave (PFML) or family medical leave act (FMLA) leave, high risk employee seeks accommodation to protect themselves from risk of exposure to an infectious disease, etc.) are met, **leave without pay** must be approved.
  - i. If the conditions stated in [WAC 357-31-327](#) are met, the secretary or appointing authority must approve **shared leave**.
  - j. If a permanent employee is sick or temporarily disabled because of pregnancy or childbirth:
    - i. A request to use sick leave must be granted.
    - ii. An employee may also use leave for the loss of a pregnancy as provided in [WAC 357-31-248](#).

- iii. An employee may also use bereavement leave as provided in [WAC 357-31-250](#). Pregnancy disability leave, under the [Pregnant Workers Fairness Act](#), is in addition to the up to 12 weeks of FMLA leave. See DSHS administrative policy [18.90](#) pregnancy workplace accommodation.
- iv. The appointing authority or designee may require verification to support the request for parental or pregnancy leave if it does not result in an unreasonable burden or expense for the employee or violate the [Pregnant Workers Fairness Act](#).

#### H. Allowable uses of leave

1. An employee is allowed to use a reasonable amount of accrued leave or unpaid leave when the employee is a victim or has a family member as defined in [chapter 357-01 WAC](#), who is a victim of domestic violence, sexual assault, or stalking as defined in [RCW 49.76.020](#).
2. An employee who sustains a work-related injury or illness that is compensable under the workers' compensation law may choose to receive time-loss compensation exclusively, use accrued paid leave exclusively or combine time loss compensation and accrued paid leave.   - d. Donating blood or plasma, but not to exceed five days in a two-year period. [WAC 357-31-326](#).
4. An employee is allowed to use [paid vaccination leave](#) to receive the COVID-19 vaccine or booster during their scheduled work shift/time at a non-DSHS workplace. The employee must work with their appointing authority or designee, including their supervisor, to coordinate and obtain approval for the paid vaccination leave. They may take a reasonable amount of leave with pay to travel and receive each dose of the COVID-19 immunization if the vaccine is not offered at their DSHS workplace.
5. A high-risk employee seeking an accommodation to protect themselves from the risk of exposure to an infectious or contagious disease is allowed to use their accrued leave if their appointing authority, designee, or supervisor, determines no other accommodation is reasonable besides the use of leave. They may require that the employees request be supported by verification or documentation.

## I. Use of sick leave

1. For anticipated sick leave absences, such as medical appointments, the employee must submit a request for leave using the program's approved leave submittal process before the anticipated absence.
  - a. If a request cannot be submitted prior to the absence, an employee must promptly notify their appointing authority, designee, or supervisor, on the first day of sick leave and each day thereafter, unless there is mutual agreement to do otherwise.
  - b. Upon returning to work after using unanticipated sick leave, the employee must immediately submit a leave request. Failure to do so may result in disciplinary action.

4. An employee on vacation leave may use accrued sick leave when a condition under [WAC 357-31-130](#) arises while they are on approved vacation leave. If the employee wishes to use accrued sick leave to replace the vacation leave already approved, the employee must notify their appointing authority or designee using the standards under Section C of this policy.
5. An appointing authority or their designee, including their supervisor, may require an employee to provide verification that the sick leave was used for an authorized purpose for absences exceeding three days under [WAC 296-128-660](#).
  - a. The employees will have up to 10 days to provide the verification.
  - b. The verification cannot require disclosure of the health condition.
  - c. Providing verification cannot result in an unreasonable burden or expense for the employee.
  - d. Any health information that is provided will be treated as confidential.
6. If the employee has documented attendance problems, an appointing authority or designee may deny the use of compensatory time or vacation leave for sick leave purposes.

## J. Bereavement leave

1. An employee may request up to five days bereavement leave if an employee's family member or household member dies. [WAC 357-31-250](#).
2. In addition to paid bereavement leave, an employee may request to use paid leave or to take leave without pay for purposes of bereavement.

4. Employees at the special commitment center will be granted up to two hours of paid time for severe inclement weather.
5. When severe inclement weather prevents an employee in official travel status from returning to their official duty station or residence, the employee remains in official travel status. The employee must notify their supervisor of the inability to return from travel status. Travel costs are reimbursed per department DSHS and Office of Financial Management travel policies. See DSHS administrative policies chapter [19.10](#) regarding travel and reimbursement.
6. Appointing authorities have delegated authority to authorize reimbursement of costs for lodging and per diem for employees who are asked to remain close to their work site during severe inclement weather.

5. Leave without pay affects an employee's probationary and trial service period ([WAC 357-31-355](#)), step M ([WAC 357-31-357](#)), and seniority date ([WAC 357-31-350](#) and [WAC 357-46-055](#)).
6. Employees returning from authorized leave without pay must be employed in the same position or a similar position in the same class and in the same geographical area, provided that such return to employment is not in conflict with rules relating to layoff or reasonable accommodation. ## M. Family care emergency leave

The appointing authority or designee may require verification of the extraordinary or severe impacts regarding the use of leave with pay. In order to ensure continued essential services to the public, the appointing authority or designee may consider emergency operations requirements and/or program and staffing replacement requirements in the approval and scheduling of wildfire leave. Wildfire leave must be used within three months from the date the emergency was declared.
