Subject of possible rule making: The department is considering amending sections of chapter 388-71 WAC Home and community services and programs, chapter 388-112A WAC Residential long-term care services training, and chapter 388-115 WAC Consumer directed employer, in response and in compliance to E2SHB 1694 (Chapter 424, Laws of 2023) passed during the 2023 legislative session. The changes included the definition of "date of hire," clarification on when the date of hire may be reset, and additional family relationships related to long-term care worker training and continuing education requirements, and other related rules as needed. Additional changes related to numerical representation, consistency, and inclusive language are also being considered.
