Emergency adoption of these rules supports implementation, expansion, and extension of the Pandemic EBT (P-EBT) program for eligible children who do not have regular access to free or reduced-price school meals or childcare meals due to limited on-site learning or attendance as a result of the COVID-19 pandemic during the 2020-2021 school year, and extended into the 2021 summer, as allowed under Section 1101 of H.R. 6201, Families First Coronavirus Response Act, as amended by Section 1108 of H.R. 1319, American Rescue Plan Act.

EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Emergency adoption of these rules is necessary to support implementation of the P-EBT program which protects the health, safety, and general welfare of Washington residents by supporting access to public assistance.

The department is showing forward progress with this filing due to federal changes to extend and expand the P-EBT program resulting in additional changes to the rule text and adopting two new WACs. The department is actively undertaking appropriate procedures to adopt the rule as a permanent rule.

(i) Receiving a benefit from a federal-means tested assistance program, including the supplemental nutrition assistance program (SNAP), temporary assistance for needy families (TANF), food distribution program on Indian reservations (FDPIR), some medicaid programs; or

(ii) Other source eligible categories, including children in foster care, children experiencing homelessness, students enrolled in the migrant education program, and children enrolled in head start or the early childhood education and assistance program (ECEAP);
