EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
 That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: Enacting amendments to WAC 388-825-335 and 388-825-620 on an emergency basis is necessary to comply with FBI background check requirements and to conduct background checks necessary to receive federal funding. Enacting amendments to WAC 388-825-615 is necessary to align with amendments to Senate Bill 5252. This is the third emergency filing on these sections and is necessary to keep the rules in effect while DDA completes the permanent rulemaking process. The department is proceeding with permanent adoption, please see CR 102 proposal filed under WSR 23-22-008.
